Science Curriculum Overview

		Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
KS1 (Y1)- Seasonal change running throughout year	Aut 1	Animals including Humans Focus humans	Animals including Humans focus humans	Rocks	States of Matter	Living things in their habitats	Electricity
	Aut 2		Living things and their habitats.	Forces and Magnets	All Living Things	Space	Evolution
	Spr 1	Materials identify and compare	Materials identify and compare	Animals including Humans	Electricity	Forces	Light
	Spr 2	Plants - identify different plants wild and garden evergreen and deciduous. Basic structure of a plant	Plants - observe and describe how seeds grow into mature plants. Plants need water, light and temp to grow and stay healthy.	Light	Sound	Forces	Animals including humans
	Sum 1	Classification of animals (Marwell) Focus animals	Animals including Humans focus animals	Plants	Animals Including Humans	Properties of materials	Living things and their habitats
	Sum 2	Materials Properties and investigation	Materials Properties and investigation	Plants	Animals Including Humans	Animals, including humans	Living things and their habitats
