

## **DAZZLING DEMON DENTURES**

Have you ever smiled at the mirror and been disappointed? Do you run the risk of your pearly-whites becoming yucky-yellows? Are your teeth in need of a helping hand? If so, buy the all-new **Dazzling Demon Dentures** and all your troubles will be left behind.

Dazzling Demon Dentures are the latest **cosmetic** dentistry product created by the **innovative** and **creative** denture department at Smilesafe Enterprises. This is the updated version of the famous Delectable Diamond Dentures as used by Pearl White, the TV presenter, whose smile sends sunshine to the hardest of hearts. This new product has been fully **upgraded** to include:

- **instant** shine when **exposed** to air;
- surface as smooth as a summer lake at dawn;
- the latest self-cleaning whiteness technology;
- chromium coating, stronger than spider's silk.

**Fondly** known among dentists as 'Stunners', these knockout gnashers will change your life! Gone will be the shy smile, the **tentative** titter and the **lack-lustre** laugh. In its place ... the brilliant, breath-taking beam! The inbuilt whiteness-detecting device can **hone** in on the tiniest dull spot, renewing the special Stunner sparkle instantly.

A key reason for buying these **tempting** teeth is the fresh breath **benefit** they bring. Specially coated in a layer of everlasting cool-mint chromium, Dazzling Demon Dentures will allow you to wave goodbye to carrying those **bulky** bottles of mouthwash. Travel fresh – Travel free!

Recommended by Professor Porcelain, the leading **expert** in replacement teeth, these incredible ivories will give you the cute, confident smile of a superstar. Buy now while stocks last through smilesafe.com. Not available in supermarkets.
